so smooth...

About Us

Padmashri™ is an India based company manufacturing and marketing premium paint brushes all over India. We are also the first company in India to export ***Dupont***® filament paint brushes to international markets.

Established in 1974, as pioneers in marketing various consumer products, Padmashri with a combination of vision and technological innovation moved into the field of paint brush manufacturing. By using advanced productive facilities and modern managing theory, we offer fine quality paint brushes.

Padmashri's main objective has been to provide its customers with very high quality and innovativepaint brushes at competitive prices and our company has been certified as an ***ISO 9001:2008 company***. Our focus on quality and product checking has ensured that every customer is a 'happy customer'.

Padmashri boasts of a very versatile range of paint brushes which includessizes from ***6 inches to ½ inch***. Our brushes are made with

- Dupont's ***Tynex-T Nylon tapered filaments***
- Rust free ***stainless steel*** or ***powder coated ferrules***
- ***Treated rubber wood handles*** that are highly durable or ***acupuncture PVC handles*** to reduce painter's wrist pain.

Our brushes are ***40% lighter*** and the ***life is 5 times more*** than an ordinary animal hair brush. They are ***easily cleanable***, offer ***uniform and perfect painting*** and can be used with oil, chemical or water based paints

Keeping in mind, our large customer base and feedback from our valued customers, Padmashri has moved into a larger manufacturing segment and shall introduce indigenously manufactured products to serve evolving demands of the industry.
